

JAMBOREE VELVETS

GALA

Colour Shown: Pebble (13 colours available)

SKU Code: N9012246001

GALA is a microstripe of two colours - when something more is needed than a plain velvet, Gala gives that little bit extra. It looks well as curtains as it does on upholstery.

We love this 100% cotton pile velvet as it's casual, well loved look sits beautifully with the no9 brand. Any marks or crushing can be improved by steaming and then brushed out following the pile direction. Like all velvets it is a dry clean only product."
