

ALCHEMY WALLCOVERING
OKURA

Colour Shown: Bone White (3 colours available)
SKU Code: JT021058001 (W01058/01)

Named for the legendary mid century hotel in Tokyo, this hand crafted wallcovering is inspired by its original glamorous gold and black silk covered elevator doors. The dramatic pattern features alternating light and dark bands that are hand combed against gloss and metallic grounds. Its modern look and excellent performance make it ideal for public spaces as well as residential settings.
