

ORNAMENTA TRIMS

ORNAMENTA GIMP BRAID

Colour Shown: Oyster (16 colours available)

SKU Code: JT030031001 (T031/01)

This decoratively patterned gimp braid, adapted from archival passementerie, is created with a pretty cinched "butterfly" detail. The narrow width and extensive palette of sixteen colors makes it suitable for a wide range of applications, from edging upholstered walls to trimming upholstery.
