WOVEN DIAMONDS TAPE

Colour Shown: Warm Silver (5 colours available)
SKU Code: JT030049001 (T049/01)

This delicately detailed woven border takes its inspiration from a handwoven Thai textile. The diamond shaped patterning is reinterpreted in neutral shades of cotton mixed with metallic threads, which give it a subtle glimmer. It is perfect for adding a Ønishing look to roman shades, curtains, pillows and upholstery.
